- Registration deadline: June 30, 2024

## ❖ Offerings

- Please send your offerings through Zelle to the following email address: [offerings@churchinphoenix.org](mailto:offerings@churchinphoenix.org).

## Life-Study of Matthew – Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 16 of the Life-study of Matthew - "The Decree of the Kingdom's Constitution (4)". This life-study covers Matt. 5:13-16, which concerns the influence of the kingdom people upon the world, as salt to the corrupted earth and light to the darkened world.

Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

"After revealing the nature of the kingdom people, this decree goes on to cover their influence. The sequence here is significant. If the kingdom people did not have the nature described in 5:3-12, they could not have any influence on the world. The influence of the kingdom people comes out of their nature, out of what they are...

..."You are the salt of the earth,"..."You are the light of the world." According to the Greek text, the pronoun here is plural. The "you" in these two verses does not refer to an individual, but to a corporate people...In verse 14 the Lord likens us to a city, not to individual stones...We need to be impressed with the fact it is as a corporate entity that the kingdom people are salt and light. If we separate ourselves from the church life, we can no longer be salt or light.

...To the God-created earth, the kingdom people are salt. But to the Satan-corrupted world, they are light."  
(Witness Lee, *Life-study of Matthews*, Living Stream Ministry, Anaheim, CA, msg. 16, pp. 199-201).

Key Verses for pray-reading: Matt. 5:13-16

Questions:

1. What is the meaning of "you are the salt of the earth"? What does it mean that the kingdom people can become tasteless and be cast out?
2. How can the kingdom people be shining like a city situated upon a mountain?
3. What does it mean for the kingdom people to be like a lamp covered by a bushel? What is the significance of a bushel and how does that affect the lamp?
