Persevere in Prayer

- ❖ **Pray that the saints will re-evaluate their living in the light of the judgment seat**
 - Please consider: Are we anxious for tomorrow? Where is our heart? Do we serve God or mammon? Are we filled with spirit inwardly and outwardly? Are we prepared to “going out the world” to meet the bridegroom?
 - To thoroughly confess and repent in these specific areas of our personal life after re-evaluation
- ❖ **In vital groups of twos and threes in the intercessory prayers**
 - For the health and the needs of the saints
 - To meet with the saints remotely only
 - To strengthen our hearts to preach gospel, to cherish and nourish the newly saved believers and the weak and dormant members
- ❖ **Pray for the up-coming Summer semi-annual training**
 - Pray for the saints to follow diligently the schedule with a trainee spirit in message watching, group study and testing sessions
- ❖ **Pray for the full time work at ASU**
 - For the last week of “June Pursuit” with students participating from the campuses in the mountain state churches, including Salt Lake City, Denver, Ft. Collins and Albuquerque, that they will enjoy the blood of Jesus issuing in the growth in the divine life and the increase of love for the Lord and His appearing.
 - For the Lord’s leading and guiding on the way to reach college freshmen and college undergraduate students via social media in the coming Fall semester.
 - For more full time serving sisters to join the campus team; one serving couple will suspend their service in ASU and another sister may potentially have a change of status
 - Pray for the full time serving ones that their practical needs are met
- ❖ **Furtherance of the Lord’s move in the Phoenix metro areas**
 - Pray for the establishing of the lampstand in Tempe this year
 - For the approval of corporation papers for the Church in Tempe
 - Pray for a group of brothers who are willing to follow the New Testament ministry, to be perfected and to rise up to function and serve
 - To pray that the Lord will gain our young people in the YP and SSOT virtual conferences
- ❖ **District 2 (TSC) building re-modeling**
 - That the revised renovation plan for the entrance and classrooms is acceptable to the City of Tempe inspector without the need for re-submission
 - Safe and smooth installation of extra electrical circuits and kitchen appliances
 - Safe and smooth works on the back yard, bathrooms plumbing, class rooms and building entrance
