

The church in Phoenix

## Persevere in Prayer

### ❖ Form a habit to live Christ

- Fight against the threefold sleep, physical, psychological, and spiritual, and watch and pray unceasingly
- Be watchful to build up a habit of prayer

### ❖ In vital groups of twos and threes

- Pray for the health of the saints and meet the practical needs of those who are affected
- To exercise the diligence in spirit to meet with the saints only remotely
- To consider in the virtual environment how to preach gospel, to take care of the newly saved believers and the weak and dormant members

### ❖ Pray for the campus work at ASU

- That our college students who are in NACT 2020 would respond to God's call:
  - To pray prayers like Hannah that echo the heart's desire of God
  - To be today's Nazarites by enjoying Christ as the unique Nazarite
  - To be His faithful priests who let Him fill, saturate them and be one with them
  - To be His prophets who speak for and speak forth God
  - To be men of prayer who cooperate with God's will to turn the age
- The "discipleship" training in the coming Fall semester – starting 8/10

### ❖ Furtherance of the Lord's move in the Phoenix metro area

- Pray for gospel preaching in the Phoenix metro areas
  - Find gospel resources at [Share the Good News](https://gospel.biblesforamerica.org) page at <https://gospel.biblesforamerica.org>
- Pray for the establishing of the lampstand in Tempe this year
  - For the approval of corporation papers for the Church in Tempe
- Pray for a group of brothers willingly to be perfected and to rise up to function and serve
- To pray that our young people will be preserved in the church life through proper shepherding, companionship, YP conferences and the SSOT

### ❖ District 2 (TSC) building re-modeling

- That the revised plumbing, framing and electrical remodel plans could be promptly approved by the City of Tempe
- Safe and smooth works on the installation of the new electrical panels, concrete & block walls, bathrooms, classrooms and new roof for the building entrance. And disposal of the used tires removed from the backyard.
